Leviticus 18-27
Living a Holy Life

Introduction

We looked at the old sacrificial system last week. God was and is working to help people be forgiven.

Now; if..... we are willing to apply His standards to our lives He will help us grow in obedience and live a life of worship pleasing to Him.

Leviticus 19:1-2

Living a Holy Life

▪ Sex - Holy Sex

Sex in the context of God's design is one of the highest forms of worship.

▪ Standards for Living with others

Chapter 19 is all about "who we are in our living with others".

I am "respectful".

I am the "True God" worshiper.

I am "honest".

I am a person of "integrity".

I am a "good news, truth teller".

I am "fast" to forgive

▪ Sin Always Requires Death

Chapter 20 is the consequences of "Not" living life Gods way.

I am for the life of the children, in the womb and out of the womb.

I seek my spiritual counsel form the True God though Jesus only.

▪ Set Apart -Times Dedicated to Devotion

Chapter 23 explains God's Sabbath, His Feasts, and His Seasons

The Sabbath is a weekly time personally Dedicated to Devotion with God.

I am relational, not rule oriented.

The Feasts of Passover, First Fruits and Weeks show us God's plain and Jesus' fulfillment of them.

Leviticus
Living God's way

In chapters 24-25 God's plain is I take 1 day a week alone with Him that is 52 days a year.

God plain is, I take 19 national days with Him (71).

God plain is, One year in seven off work to be with Him; Why?

Our personal worship

Is Sex an act of worship?

Are God's standards for Living with others mine too?

Does sin Always require a death?

Do I set apart times of dedication, and devotion to God alone?
