Our Values

What is “it” that you value?

The Values

**“Every Church is driven by Values.”
”These are the Core Values of our church.”**

This is our list equal in priority as of April 13th 2008.

We Value

***“The Bible” it is God’s Holy Spirit revealing truth about Himself
and Life for our personal improvement through Discipleship, Teaching, and practical application.***

If that is a value in my life, then what am I doing that shows it’s a value?

We Value,

“Worship with freedom” experiencing our unity with diversity of expression.

Is being free to express yourself without fear an important part of Church Body Life?

We Value,

“Seeking the Lost” (unbeliever) the attraction of the lost (unbeliever) to “Life” both eternal & temporal.

If that is a value, then how are we and or I expressing that?

We Value

***“Prayer”, a personal private two way conversation with God throughout the day,
and in public times with family & friends.***

How would you describe your prayer life?

We Value

***“Our personal love relationship with God,
and each other, our family and God’s.”***

Mark 12:28-31

If you or I was standing in front of Jesus, what would He say to us about our love for Him and others?

- **Can you agree with these?**
- **Are there other Values we should add?**
- **Are you willing to try and improve on your demonstration of what we Value as a church?**
