Mission Sunday

Mark 16: 14-16

OUR MISSION

is to release the Life of Jesus in discipleship, evangelism and baptism.

What is Jesus saying to us in mark 16?

Do I believe? Is it hard to believe?

Have I personally believed in the sin free life, substitutional death, and resurrection of Jesus?

If Jesus appeared here today would "He rebuke us for our lack of faith and their stubborn refusal to believe"?

What is this good news of the gospel?

God is love.

God is holy.

God is just.

Why am I presenting the good new of his gospel?

Why am I not presenting the good new of his gospel?

The facts or truth is:

*Whoever believes and is baptized will be saved,
But whoever does not believe will be condemned.*

Why am I presenting the good news of the gospel?

Because I love him. Do you love him?

Let's look at us.

When god created us, he made us good, without sin.

But we abused our freedom, rebelled against him, and became evil.

Let's think about Christ.

Jesus is the uniquely able to solve our dilemma because he is both god and man.

Christ died in our place, as our substitute.

In conclusion, Jesus paid the price of salvation, but only those who say yes to him actually receives his forgiveness.

What will you believe?

Will you believe in Jesus today, for salvation?

Will you believe in him for the faith to share the gospel with someone else?
