Our Vision Statement

These are all examples of Vision Statements taken from United Brethren churches websites.

So in 2007

- **THE VISION IS:** *To release the Life of Jesus, in transformed saints.*

When you read or hear a good vision statement, you will think or say, "Wouldn't that be nice."
A good vision statement should be clear, concise, and be result orientated.

2010

- **Our Vision is:** *is to see the life of Jesus, reveled in transformed saints. Isaiah 61:1-3*

Or do I start at the beginning?

- When I came to be your pastor the questions were.
- Do you believe I can use you to help these people know Me and love Me more?
- Do you love them?

Our Tag line is: to see each other know God, His love for us and to love each other.

**We love God,
we love people.**

"Come as you are"

**Mark 12:28-31
Mathew 28:18-20**
