John 3:16
No One Like Him

- *How did you see or experience God's love for you this past week?*
- *"I want to be a true seeker of God and a Truth seeker also, so what is the Truth about God's love?"*

1. God is good and His faithful love endures forever.

- *If God's love endures forever, could we say then that it is the starting place and the end result?*

2. God loves us despite what He knows about us!

- *What is the New Commandment Jesus gave in this passage?*

3. "For God so loved the world"

- *The entire gospel comes in a focus in this verse.*
