*How to Share Christ*  
*John 9:1-34*

*There are different ways to share Christ.*

*One of the most effective ways is the "Jesus has done this in my life" pattern.*

*God is finding and changing people.*

*Has He found you?*

*Is He changing you?*

*Can He use you to change others?*

*Who sinned, who is to blame for this?*

*That was a common belief in Jesus day.*

*Is that still a common belief?*

*What did Jesus say? \_\_\_\_\_*

*We are to display the work of God in our life.*

*We are one of the sign boards God uses to show people His power!*

*How can we expect people to react to us?*

*Probably the same as this man!*

- 1. The neighbors were "surprised and skeptical." John 9:8-9 (NIV)*
- 2. The religious people acted in "disbelief and prejudice." John 9:10-11 (NIV)*
- 3. His family "believed and quit because of fear." John 9:20-21 (NIV)*
- 4. The man was "consistent in his growth and faith." John 9:35-38 (NIV)*

*If I have an experience with Jesus Christ, will I speak up about my belief in Jesus?*

*Who do I know that needs Christ?*

*Conclusions*

*God can and will use me if I am available.*

*The blood of Jesus and the words of my testimony will have a positive impact on the world around me.*
