What has God done about sin?
Romans 6

Introduction: Paul presents the Good News!

Salvation is available to all.

We are saved by grace (unearned, undeserved favor from God) through faith (complete trust) in Christ and His finished work.

Through Him we can stand before God justified, “not guilty” (3:21-5:21).

The “Key verse” of Romans is 5:1.

With that as our foundation, we can experience “freedom”, from the power of sin (6:1-23), freedom from the dominion of the law (7:1-25), freedom to become like Christ and discover God’s limitless Love (8:1-39).
