\_\_\_\_\_ in Hebrew means “year”.

Rash HaShanah is the head of the year on the civil calendar.

Genesis 22:13-14

Abraham looked around and saw a ram caught in a bush by its horns.

The \_\_\_\_\_, or rams horn is a reminder of the LORD’S deliverance

The LORD spoke to Moses,

"Tell the Israelites: On the first day of the seventh month hold a worship festival. It will be a memorial day, and come together for worship, a holy assembly announced by the blowing of rams' horns.

The purpose of this holy day is summed up in one word – \_\_\_\_\_.

Rosh HaShanah has come to represent the days of – \_\_\_\_\_.

As with all biblical holy days, there is a \_\_\_\_\_ as well as \_\_\_\_\_ meaning in Rosh HaShanah.

What does this mean to us/me?

God has always warned people of His coming judgment.

What is my response?
